The shuttles depart from Door C outside the Arrivals Hall for the 20-minute journey into town. The shuttle's main stops are at the central bus station. A one-way transfer will cost you 5 €. Each ticket is valid for a period of 1 h after validating it the first time. You can buy your ticket from the driver in the bus.

Taxis are also ready and waiting outside the Arrivals Hall and there are several car hire companies located in the terminal.

## **DOWNTOWN TOULOUSE CITY AREA**

Toulouse is one of France's most historic and colourful cities. "La Ville Rose" gets its popular name from the small bricks made from local clay used in many of its older buildings. Their colour varies from red to dark pink, according to the metal content, and gives the city a rosy complexion all of its own, especially in gentle sunlight. Note, however, that it has to share that title with a number of other towns in the region including Albi and Montauban (the latter is even known as 'the pinkest of all the pink cities').

Today, Toulouse is a centre for aviation, space travel and high-tech business, and has the second largest student population in France, making it a vibrant and cosmopolitan city. Most accommodations and hotels are located in downtown Toulouse. This part of the city is very pleasant with lots of restaurants, activities and stores.
