

## Guidelines for authors

### Extended abstracts

All contributors are invited to submit an extended abstract.  
The extended abstract will be provided on the electronic material (i.e. USB key) given to all participants to the conference.

Use this template  or   
and [upload](#) your file, only in pdf format.

The deadline for extended abstract is 15th of June.

If you present a poster, you can also include the poster at the end of your extended abstract if you wish.

### Oral presentations

Presentation format should be in pdf format (preferably) or in powerpoint.  
The duration of oral presentations is **12 min**.  
The time for questions is 3 min.  
There is no specific graphic template for the conference.

You will be asked to upload your presentation on the conference system **in advance**. The projection systems in the session rooms do not allow direct upload during the session. There is one room equipped with PCs for the upload of the presentations in advance.  
You will also be asked to strictly respect the schedule, as the program is very dense.

### Posters

Poster format must be **A0 vertical** (portrait).  
The fixation systems are provided by the conference.  
There is no specific graphic template for the conference.

If your contribution is in a poster thematic session on Monday or Tuesday in the program, your poster will be displayed continuously from Monday morning to Tuesday evening.  
**The corresponding formal poster session is on Tuesday, from 3.15 pm to 4.30 pm.**

If your contribution is in a poster thematic session on Wednesday, Thursday or Friday in the program, your poster will be displayed continuously from Wednesday morning to Friday evening.  
**The corresponding formal poster session is on Thursday, from 3.00 pm to 4.30 pm.**
